I was detailed to 1357 Riverside Dr. on the report that a lap top computer was missing from the home. Upon arrival I spoke with VIC/ JESSICA MCCOMB who relayed the following. Last night she went to a Cleveland Browns football game with some friends. When she arrived home after the game she didn't notice anything out of place in her home and went to bed. This morning she woke up and realized that her lap top computer was missing off her desk.
